

Friendship African Adventure is a locally owned and managed company established in 2005. It was created by two of the best guides in Tanzania; who came together after working in the field for more than 10 years. After discovering some gaps in meeting client needs in the market, the company was created with the aim of providing the best service options for those on holiday, ensuring that everyone has the most memorable travel and holiday experience.

Sakina Street Along Nairobi Road. House No SA/EL/ 14
